

I'm Neither an Idiot nor a Common Fool

In the article entitled “Is Janez Janša an Idiot?”, which was published in *Dnevnik's Objektiv*, page 9, on 1 September 2007, the author Ivo Sanader writes:

“Janez Janša is the biggest idiot in the universe.”

“Janez Janša is a common fool.”

“This is why, you see, Janez Janša is an idiot.”

These statements are completely unsubstantiated, deeply offensive, and detrimental to my honour good reputation. This is why I demand a public apology from Mr. Ivo Sanader to be published in a visible place in your newspaper no later than 22 September 2007. In the case that no such apology is offered, I will seek justice and legal satisfaction.

Regards,

Janez Janša
